

# MEDICALLY INDIGENT SERVICES PROGRAM (MISP)

*The Medically Indigent Services Program (MISP) began in Riverside County in 1983. It provides financial assistance for the health needs of adults. The program covers acute illnesses and medical care to prevent disability. The goal of the program is to reduce costly hospital stays. It also helps to increase your ability to work.*

## MISP IS NOT INSURANCE

MISP is for people who suffer trauma or have other emergency needs. Indigent medical services is mandated by the State of California. The Riverside County Board of Supervisors directs the eligibility criteria and scope of services covered.

## TO OBTAIN MISP

### You must:

- Show proof that you are a legal resident of Riverside County for more than 30 days
- Complete an MISP application form
- Be an adult between the ages of 21 and 64
- Show proof of income
- Show proof of identity

### You must NOT:

- Be insured or have access to a health plan
- Have a valid Visitor's visa
- Be in Riverside County for the sole purpose of rehabilitation
- Be in a Skilled Nursing Home (SNF) or Institution for Mentally Disabled (IMD)

If you meet the criteria, then you may be granted up to 12 months of eligibility. You must report changes in your income, living circumstances, or if you apply or become eligible for other health benefits. If you do not, then your eligibility could be revoked to the date of the change of status. The County of Riverside reviews status on a random basis during the 12 month period.

## CO-PAYMENTS

You are required to pay co-pays prior to receiving medical care or medications. This may be in addition to a share-of-cost payment if you qualify under the MISP eligibility criteria and have income more than 139% percent of the Federal Poverty Level.

Co-pays and share-of-cost payments are collected prior to the time of service. If you fail to pay the co-pay or share-of-cost payment at the time of service, then your visit will be rescheduled. Medications will be held until you pay your co-pay or share-of-cost. You will not be denied health care services for life threatening emergency care.

## Co-pays are:

- \$2.00 per prescription
- \$5.00 per outpatient visit, such as doctors or special visits
- \$10.00 per emergency room visit
- \$0.00 per ancillary service such as lab; x-rays; chemo or radiation treatment; or physical, speech or occupational therapy
