

SUD VOICES FOR CHANGE

Make your Voice **HEARD!**

Join Our Focus Group

CAADPE, in partnership with LA County SAPC, is launching Substance Use Disorder (SUD) Voices for Change, a new initiative to build the first statewide, grassroots, independent advocacy organization for people impacted by addiction. The goal is to create an infrastructure that unifies the voices of those in recovery, consumers, families, and communities to facilitate change.

Participant Details

Who: Individuals in recovery, active users, family members, providers, community members or anyone committed to improving our State's recovery system!

When: Morning and Afternoon Virtual Sessions (via Zoom)- Dates provided at registration!

Incentive: Participants receive a \$25 Gift Card (1 hr Commitment)
