

VOICES OF VALOR

Share Your Story • Inspire Our Community

Every Veteran Has a Story Worth Honoring

As we celebrate our heroes on **November 9, 2026**, we would like to invite local veterans to share their stories of service, courage, sacrifice, and life experiences with our community. Their stories will be shared as part of our special **Veterans Celebration Dinner**, giving our community an opportunity to listen, learn, and honor the men and women who have served our country. Their stories can inspire others, preserve important memories, and remind our community of the extraordinary veterans who have dedicated their lives to serving our country.

Selected Veterans Will Receive a Special Recognition Award

We want to recognize veterans who continue to be examples of courage, strength, leadership, and service in our community.

YOUR STORY. YOUR SERVICE. YOUR LEGACY.

You served our country. Now, let us honor you.

Courage • Sacrifice • Service • Honor

We will begin promoting Voices of Valor on September 21, 2026, so we can start receiving stories and have enough time to record participating veterans before the celebration.
