# **BLAINE STREET ADULT BEHAVIORAL HEALTH CLINIC**

## INTEGRATED OUTPATIENT SERVICES

Our clinic helps adults with serious mental illness who have difficulty with daily activities. We have many different kinds of health professionals who work together to give people the best care. They will help each person make a plan to reach their goals for feeling better. By coming to our clinic, people can improve their daily lives and feel better overall.

## SERVICES PROVIDED

- Behavioral health outpatient and urgent care services
- Initial assessments
- Evaluation of participation in daily life activities
- Service planning focused on establishing goals and plans for achieving wellness
- Peer-to-peer education and support
- Evaluation by psychiatrists with ongoing medication support, as needed
- Short-term therapy, support, and education regarding behavioral health recovery
- Specialized groups for consumers recovering from both behavioral health and substance use challenges
- Building support networks through the inclusion of family and support givers in the planning and recovery process
- Case management to facilitate linkage to community resources, services, programs, and other agencies as needed, peer and family support services, medical care, and health education

## BLAINE STREET ADULT BEHAVIORAL HEALTH CLINIC

Individuals who sign up for our program will collaborate with our staff to create a plan for a more fulfilling and effective life. Members who utilize our services will acquire abilities to assist with recovering from behavioral health challenges. Additionally, members will have access to a range of options to help tailor their journey to recovery. We urge you to come and visit us to discover how achieving recovery can have a transformative impact on your life.
