FEBRUARY 26TH & 27TH

2025 STATEWIDE COLLABORATIVE PREVENTION CONVENING

BUILDING ON OUR PROGRESS:

ADVANCING COMMUNITY WELL-BEING THROUGH AUTHENTIC COLLABORATION

Coming together to strengthen collaboration and center prevention work in community-based approaches driven by the voices of community leaders, Tribes, and caregivers/youth with lived expertise.

**FEBRUARY 26 (VIRTUAL)
9AM-2PM**

**FEBRUARY 27 (HYBRID)
9AM-4PM**

On Feb. 27th, county teams are encouraged to meet in-person at a local site and virtually connect with presenters and other teams for learning.

This Convening intends to share strategies around:

- *Developing prevention approaches with community and lived experts to drive innovation.*
- *Authentically engaging and building relationships with Tribes.*
- *Accessing and integrating funding to sustain prevention work.*
- *Actual strategies to reduce disparity with input and decision-making from those most impacted.*
- *Building trust and accountability for lasting collaborative relationships.*

MORE DETAILS TO COME!

American Sign Language and Closed Captions will be provided in the main session.
