ABOUT
TEAM RWB

Team Red, White & Blue (Team RWB) is a nonprofit organization forging America's leading health and wellness community for veterans.

WE'RE ON A
MISSION TO ENRICH
VETERANS' LIVES.

Team RWB has been a fantastic organization to me, especially to socialize with other veterans. Following a recent deployment I was on this past year, I feel much more connected and get a ton of positive vibes from doing physical activities like rucking, exercising, and running. These challenges keep me motivated and bring our community together in an uplifting way. Thank you!

— CHAD E., NAVY RESERVE

WHY TEAM RWB?

- In the military, members push limits of their own well-being to support the mission
- Moving into civilian life, many veterans carry that mission-first mindset, often neglecting their own health in the process
- We can improve their lives and help them be their best selves for their families, communities, and the country with a strong focus on health and wellness

Team Red, White & Blue exists to guide veterans in building a healthier lifestyle
