

PARTNERS FOR INNOVATIVE COMMUNITIES PERRIS

Partners for Innovative Communities (PIC) aims to tackle youth substance use by exploring different forms of prevention, including education, media campaigns, and policy change at the local level.

Coalition Goals

- Provide a Supportive Network
- Foster Healthy and Safe Environments
- Prevent Substance Misuse

Please RSVP by scanning the QR code or using the link: bit.ly/3P30ZPj

ABOUT OUR ORGANIZATION

Reach Out's mission is to strengthen communities by bringing people together to solve our region's toughest issues: breaking barriers to educational achievement, expanding economic opportunities, and creating safe, healthy and innovative communities.
