# YOUR PARTNERSHIP SUPPORTS

Support development of the local food economy

## Workshops For Farmers & Community Members Grow: Cultivate & Nourish

A convening of the region's movers and shakers working to build a robust local food and agriculture economy to address food access, healthy equity, economic opportunities, and influence policy.

## Workshops for Farmers & Community Members

Quarterly half-day workshops for farmers and community members. Topics included: crop diversification, access to land and capital, market distribution, business development, cottage food, and much more.

## Farmer Training Program

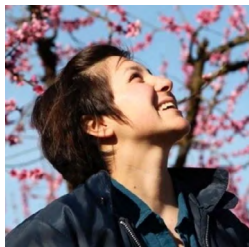

Farmer Training Program participants learn everything about the art, science, and business of farming, with opportunities to own and operate their own farms, work outdoors, and provide locally grown products to the community. The program provides comprehensive training and mentorship over multiple years to assist new and beginning farmers become successful.

## Farm-to-Fork Dinners

Locally-inspired dinners showcase some of the region's top chefs and local farmers. These dinners dish out delicious meals, local brews and entertainment at unique locations.

# 2026 CONFERENCE KEYNOTE SPEAKERS

## Nikiko Masumoto

*Organic Farmer, Artist, and Cultural Organizer  
Founder, Yonsei Memory Project*

**Nikiko Masumoto** is an organic farmer, artist, and fourth-generation Japanese American stewarding her family's California farm. At Masumoto Family Farm, she grows organic fruit and co-authored the children's book *Every Peach is a Story* with her father, David Mas Masumoto. She is co-founder of the Yonsei Memory Project.

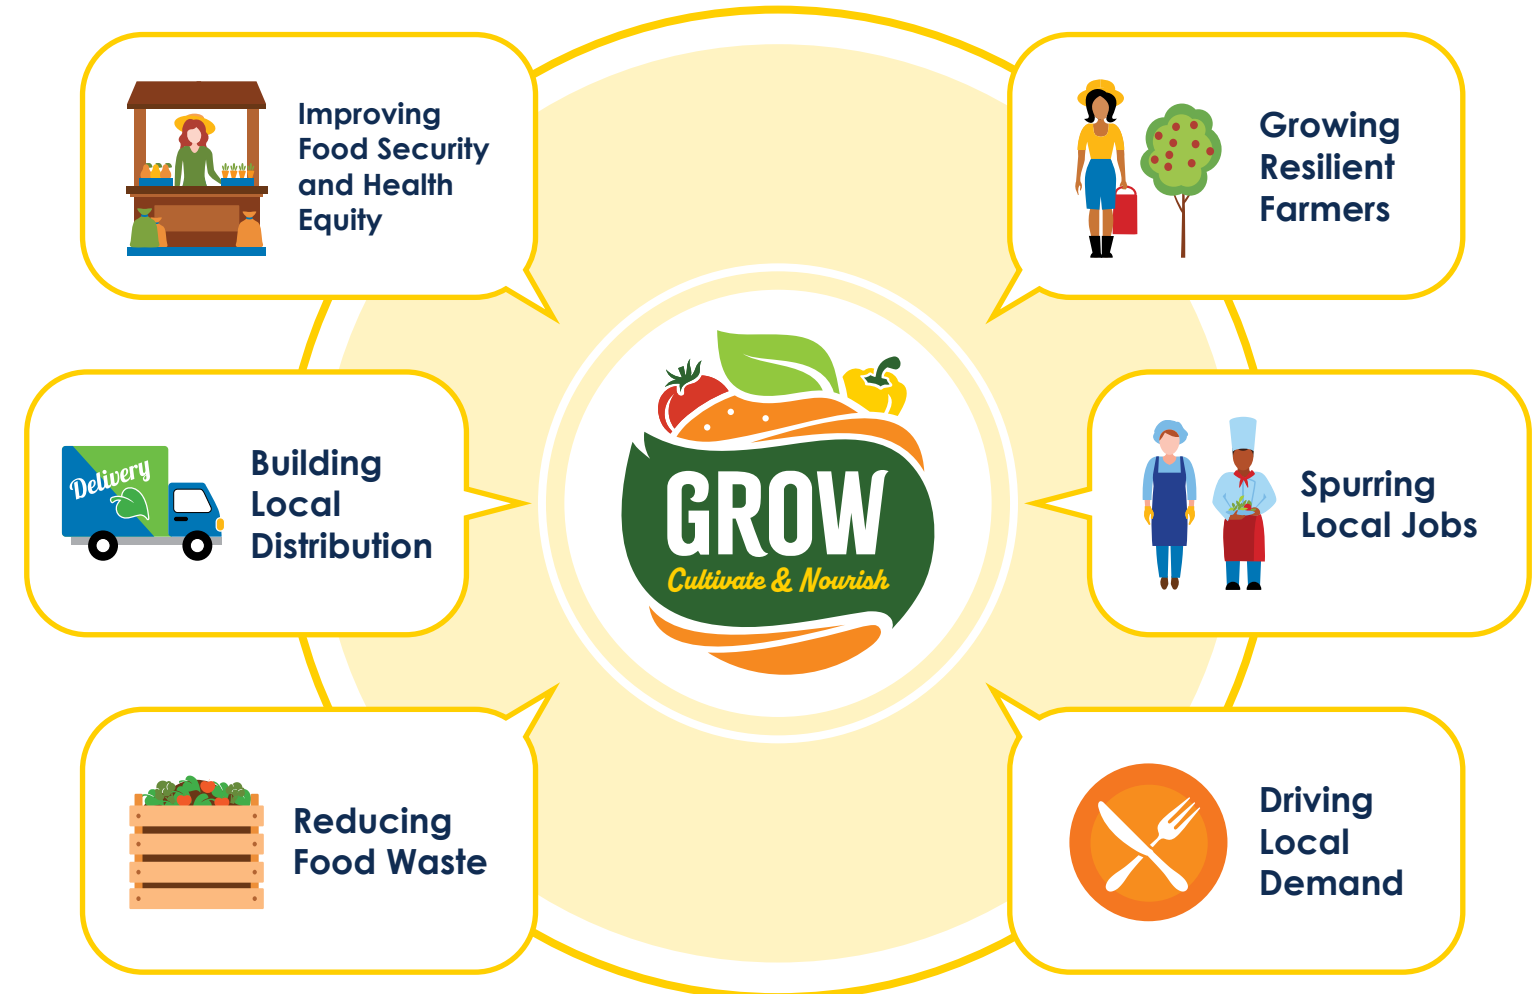

## Greg Pennyroyal

*Manager and Professor of Viticulture, Vineyard Manager, Wilson Creek Winery  
Founder, Small Winegrowers Association*

**Greg Pennyroyal** works at the intersection of healthy ecosystems and healthy communities. He is Vineyard Manager at Wilson Creek Winery, Professor of Viticulture at Mt. San Jacinto College, and founder of the Small Winegrowers Association, where he advances regenerative agriculture through education and mentorship.
