

Instructions to Complete the Request for Birth Certificate

1. Indicate whether you are requesting a *Certified Copy* or a *Certified Informational Copy*.

Only individuals who are authorized by Health and Safety Code §103526 can obtain a *Certified Copy* of a birth record. Section C on page 1 of the application identifies the individuals who are authorized to receive a *Certified Copy*. All others may receive a *Certified Informational Copy* that will be marked "Informational, Not a Valid Document to Establish Identity."

Both documents are certified reproductions of the original document on file with our office. With the exception of the legend, redaction of signatures and Social Security Number, the documents contain the same information.
